

ServiceMaster CDR Acquires ServiceMaster by Lewis

ServiceMaster CDR is pleased to announce that it has completed its strategic acquisition of ServiceMaster by Lewis. ServiceMaster by Lewis has 13 licenses throughout Ohio in key markets such as Youngstown, Akron, and Mentor. These licenses will merge with ServiceMaster CDR's current 40 licenses that span across Texas and Ohio, expanding CDR's Ohio presence further East and South of its current Cleveland and Akron markets.

"We are very excited to be part of ServiceMaster CDR, a leader in the ServiceMaster network with tremendous growth aspirations that we are looking forward to becoming a part of in the future. We also know that leadership of CDR is one that keeps people first and will take care of our current team, customers, and business." – Kevin Wyndham, ServiceMaster by Lewis

"Given the overlap and adjacency of our respective market service areas, the merging our businesses felt like the right next step. We look forward to partnering with the Lewis team to further deepen our presence in Ohio while providing excellent customer experiences." – Blake Moak and Greg Dennison
